Asher PetCare

## PRODUCT 1: **Shiny Coat Syrup**

- Asher PetCare  
Shiny Coat Syrup is a clinically tested supplement for dogs and cats.
- Specially formulated to support a healthy, soft, and glossy coat.
- Helps nourish the skin and coat from within as part of regular pet care.
- Supports coat manageability and overall coat appearance.
- Easy-to-administer syrup with a pet-friendly taste.
- Suitable for pets experiencing dull-looking coats due to nutritional gaps.
- A convenient way to promote everyday coat health and shine.

## PRODUCT 2: Dry Bath Shampoo

- Asher PetCare Dry Bath Shampoo is a clinically tested waterless grooming solution for dogs and cats.
- Cleans and refreshes your pet's coat without the need for rinsing.
- Ideal for quick clean-ups between regular baths or while traveling.
- Helps remove dirt, excess oil, and unpleasant odors from the coat.
- Leaves the fur feeling clean, soft, and refreshed.
- Convenient and easy-to-use formula for stress-free grooming.
- Perfect for maintaining hygiene when a traditional bath isn't practical.

**PRODUCT 3:**  
**Twisted Lilly**  
**Perfume**

- Asher PetCare Twisted Lilly Perfume is a clinically tested fragrance specially crafted for dogs and cats.
- Infused with a refreshing floral-inspired scent that helps keep your pet smelling fresh and pleasant.
- Gentle on the coat and suitable for regular use between grooming sessions.
- Helps reduce unwanted pet odors without leaving a heavy residue.
- Designed to provide a long-lasting, clean fragrance for everyday freshness.
- Easy-to-use spray formula that leaves your pet's coat feeling light and refreshed.
- Ideal for pet parents who want a quick freshness boost anytime.

#### PRODUCT 4: **Multivitamin Syrup**

- Asher PetCare Multivitamin Syrup is a clinically tested nutritional supplement for dogs and cats.
- Formulated with essential vitamins and nutrients to support overall wellness.
- Helps maintain daily nutritional balance alongside a healthy diet.
- Supports active lifestyles and everyday vitality in pets of all ages.
- Palatable syrup format makes administration simple and convenient.
- Suitable for routine supplementation as recommended by your veterinarian.
- A trusted addition to your pet's daily care regimen.

## PRODUCT 5: **Neem Aloevera Shampoo**

- Asher PetCare Neem & Aloe Vera Shampoo is a clinically tested grooming formula for dogs and cats.
- Enriched with neem and aloe vera to gently cleanse and nourish the coat.
- Helps maintain healthy-looking skin while leaving the coat soft and manageable.
- Supports a fresh, clean feeling after every bath.
- Gentle cleansing action helps remove dirt and impurities effectively.
- Leaves your pet with a refreshed coat and a pleasant fragrance.
- Suitable for regular grooming and everyday coat care.
